Garrett

Please send any future submittals regarding SWACs, fish trends, etc. to John Canar and Chuck Roth. I have included their emails above. I typically forward any emails regarding meetings, etc. However, to ensure they get handouts or other materials in a timely matter for review if you could send it to them directly that would be great. Also, I have copied Jeff Keiser from CH2MHILL. You'll want to make sure you send things directly to him and he can get them to Frank Dillon and Patty White. However, over time I am sure you'll get a better handle over whom to send information directly to expedite things.

Thanks

Jim
